

## Wild flowers

A short lesson with great results!  
Draw a lot of flower stems on the black paper with several colors green. Stamp the petals above and between the stems, using tempera and q-tips.

Materials:

1. black or dark green construction paper 18 x 12
2. color green pencil, green crayons or pastels
3. tempera or acrylic paint (choose colors that match the flowers you're trying to create - example, daisy)
4. q-tips
5. saucers or Dixie Cups
