

Rhythm & Movement Jazz Guitars

Begin the lesson by listening to Jazz music. Ask the students to try to visualize the music while it is playing. Discuss ways to show rhythm and movement in art. Diagonal lines and shapes for "movement". Patterns and repetition for "rhythm".

The steps are:

Draw with pencil

Trace pencil with black marker

Paint everything, don't worry too much about staying in the lines b/c going to go over them a 3rd time

Paint over black lines with black paint
