

AFTER SCHOOL

So fun it won't feel like learning!!

WORLD ENGINEERING WITH LEGO!

Winter Enrichment Class at Walnut Acres

- When:** Fridays beginning Jan. 25th to March 22nd from 2:45 - 3:45 pm (skip 2/15)
- Where:** Walnut Acres
- Who:** K to 5th
- What:** See how the world around us works and looks through the eyes of LEGO®. From animals and energy to construction equipment, race cars and space travel, we'll explore our world by learning about and building some of the engineering marvels that we encounter every day. Each motorized lesson introduces key terminology related to each build as well as reinforces the S.T.E.M. and CORE concepts. So come build with us!
- Cost:** \$140 for 8 classes

Bricks 4 Kidz offers Birthday Parties / Summer Camps / In School Field Trips / Pre-school Classes / Enrichment Classes

About Bricks 4 Kidz:

How do you motivate kids to learn? By creating an environment that engages their curiosity and creativity. What better way to do that than through the world's most popular toy - LEGO®. Bricks 4 Kidz classes provide an extraordinary atmosphere for children, where **we learn, we build, we play...** with LEGO® bricks. Every class begins with a 15 minute lesson plan where key ideas from the day's build are introduced and explored. Things like inertia, friction and torque are used to reinforce the S.T.E.M. concepts. Our classes are fun, educational experiences that encourages team work and creativity. So come build with us!
