

Walnut Acres Elementary School

Student Emergency Food Kits 2018 – 2019

As part of school emergency preparedness planning, we ask parents to supply food provisions for their child. Walnut Acres PFC has purchased bottled water for each classroom.

Parents **MUST** select **ONE** option per student:

Purchase a pre-made food kit from Walnut Acres PFC at Jaguar Day for \$6.

Complete and turn in this form to the Emergency Preparedness Table on Jaguar Day – Tuesday, August 14, 2018.

Each pre-made kit contains 5 (**NUT-FREE**) items such as granola/kids nutrition bars, apple sauce pouches, dried fruit snacks, etc. Kits and completed forms will be delivered to classroom teachers by the PFC Emergency Preparedness Committee.

Provide your own kit of **4 - 5 NON-PERISHABLE food items** with expiration dates of June 2019 or later (no cans please) in a one-quart plastic zip lock bag.

Place this form in the bag and deliver to your child's teacher **NO LATER THAN Friday, August 24, 2018.**

Food must last through June 2019 and items must be able to withstand being stacked on top of each other in a plastic bin.
