

**Walnut Acres Elementary**  
180 Cerezo Drive  
Walnut Creek, CA 94598

Dear Supporter,

The Walnut Acres Elementary Parent Faculty Club is preparing to host its annual auction gala, *Masquerade: A Night at The Venetian Carnevale*, on Friday, March 13, 2020. The funds we raise support critical programs such as reading and math intervention, classroom teaching aides, science and computer labs, and art and music instruction that would otherwise be unavailable to children at our public school.

**A successful auction depends on great auction items and sponsorships, and you can help! Please consider a donation of gift cards, tickets to events, goods, services, or a unique experience (such as a behind-the-scenes tour or other event).**

Our gala and online auction attract the attention of over 500 Walnut Creek families. **Your gift will benefit our students, identify you as a supporter of Walnut Acres, and stimulate business between you and our school families.** All donations and all donors are recognized in our online auction website, and Auction Sponsors receive advertising space in the event program and at the gala. Moreover, donations are fully tax deductible (our Tax ID# is 94-2398637).

**You can donate online at [walnutacres.schoolauction.net/auction2020](http://walnutacres.schoolauction.net/auction2020) or complete the attached form and return it to the school by February 7, 2020.**

If you have questions or would like to schedule a donation pickup, please do not hesitate to email us at [auctiondonations@walnutacrespfc.net](mailto:auctiondonations@walnutacrespfc.net)

On behalf of the students, faculty, and families of Walnut Acres Elementary, thank you for your support! Your donations help Walnut Acres sustain high quality education for our children and make it a distinguished school in our community.

Best Regards,

*Anna Halverson & Holly Guy*
