WA Recycle Club Update AUGUST 2019

Welcome to the 2019/20 school year

OUR GOALS THIS MONTH:

1. Raise awareness amongst staff, children and parents alike that their role is critical to help build a green community on and off campus.
2. Create more transparency.
3. Recruit new student and parent members.

We are adding Junior Members!
 Since we had so many requests from our younger students to join the club, we will include 2nd and 3rd graders into our WA Recycle Club.

TIP:

Sustainable alternatives are reusable and/or recyclable and/or compostable!

YOU CAN HELP

How PFC board members can help:

1. Think of eco friendly alternatives before starting to organize a PFC event.
2. Remember our "WA Party Sets" = 3 sets of ea. 30 cups, plates, bowls, utensils.
3. Work together with the Walnut Acres Recycle Club/Sustainability Committee -

We are here to help!

You can reach us via email at sustainability@walnutacrespfc.net or under our personal email on Konstella.
