WA Recycle Club Update

SEPTEMBER 2019

****

Our 4th and 5th grade members are on board!

****

OUR GOALS THIS MONTH:

1. Finalize our new Junior Members and get them started in Recycle Club.
2. Working on collaboration with the new parent volunteers.
3. Attach proper signage on all trash stations on campus.

We are here to help!

You can reach us via email at sustainability@walnutacrespfc.net or under our personal email on Konstella.

Find more information under http://www.walnutacrespfc.net/sustainability

TIP:

Check the signage on our trash bins on campus before discarding your waste!

CUTENESS

The Senior Members are ready to roll!

We had the first meeting with our Senior Members last week. They were informed about this year's schedule and plans for Recycle Club, and they were shown how to pick up the recycling from classrooms. **They are ready to go!**

What impressed us as Recycle Club leads the most though, was the kids' answer to why they wanted to join the Recycle Club. They all said: "I want to save the earth". What could be more motivating for us parent volunteers!?
