

WALNUT ACRES RECYCLE CLUB FUNDRAISER

SPORK + POUCH Pre-order sheet

- Pouches are hand-made by Recycle Club moms
- Proceeds go 100% to the Recycle Club to bolster awareness, sponsor field-trips, buy Recycle Club supplies for our school and beyond!
- Pouches are made lovingly out of durable, lightweight denim and organic muslin, wooden buttons and cotton enclosures. They are custom crafted with the Walnut Acres Jaguar and Recycle Club logo. They are completely compostable too!
- The spork is stainless steel (18/10), machine-washable and super sturdy for everyday use!
- Using this spork daily (100+ school days/year) x X-amount of years = many, many saved plastic utensils and plastic wrappers, which are NON-RECYCLABLE!

Thank you for your support of the Recycle Club and being a part of the change!
